PREFACE

Crawford County is located in central Georgia. It was created as the fifty-fifth county by the state legislature in 1822. The county was formed from the northwest portion of Houston County which had previously been created from Creek Indian land in 1821 using the land lottery system. Crawford County in 1824 lost a large part of it's western portion when Upson County was formed. It later received small additions from Talbot and Macon counties. Since then the boundaries have remained mostly unchanged and to-day encompass an area of 313 square miles.

The county was named for William H. Crawford, a Georgian who was serving as U. S. Secretary of the Treasury in 1822. He was a jurist and a diplomat, and very nearly President of the United States.

Knoxville, the county seat, was named for General Henry Knox of Revolutionary War fame. The courthouse that was first built there, burned in February 1830. The early marriage records somehow survived the fire. In the early years, Knoxville was the hub of business and county activity. When the railroad was built within one mile of Knoxville, a station called Roberta was established which soon drew the business trade to that location. To-day Roberta is the largest county town.

Joanna Troutman is probably the most noted native of Crawford County. A monument to her stands on the courthouse square. She designed, made, and presented a flag to a group of middle Georgia volunteers en route to Texas to help fight for its independance from Mexico in 1833. With a reverse color change her "Lone Star Flag" was later adopted as the official state flag by the State of Texas.

Although the county lies, within commuting distance of large job markets in Macon and Warner Robins, it's industry remains primarly agriculture. It leads the state in the number of peach trees and to-geather with pecans, they account for 60% of all farm income.

The county population in 1830 was 5314 and rose to 8855 by 1850. The county lay along the Macon and Montgomery Trail of the Creek Indians and as this and other trails turned into roads, emigerants poured into the county. Estate records previously published show that many came from east Georgia counties and the Carolinas, but many also moved on to new counties and states to the west.

This publication is the fourth of seven we have planned for Crawford County. It contains all the marriage records found in Marriage Books A-1, A-2, A-2/C, A-4, B, C, and 5. These seven books cover the period 1823 through 1899 with some overlap between books. Marriages between 1850 and 1870 are noticeably missing from these books. Investigation revealed that there were many marriages among loose papers on record at the Georgia State Archives and a listing of these was recently provided the Crawford County Probate Judge. This list along with extractions of marriages listed in "Marriages and Obituaries From the Macon Messenger, 1823-1869" by Williard L. Rocker, and used with permission of the Author, have been added to this publication in a separate list as Other Marriage Records 1825-1873. This separate list also contains two marriages found in Inventory, Appraisement, Sales & Vouchers, Book "B" 1833-1837.

We wish to express our graditude to the trustees of the R. J. TAYLOR, Jr., Foundation who awarded our Society a grant to assist in the various non-labor costs of compiling this publication and the printing costs. The Foundation also absorbed the expense for printing thirty additional copies which they will distribute to various libraries within the United States.

CENTRAL GEORGIA GENEALOGICAL SOCIETY, INC.
POST OFFICE BOX 2024
WARNER ROBINS, GEORGIA 31099-2024

Non-Profit
Tax Exempt
Org. GA

ORGANIZATION: The CENTRAL GEORGIA GENEALOGICAL SOCIETY, Inc. was organized in October 1978 by James T. Martin of Warner Robins, Georgia. In February 1981 the Society was incorporated as a non-profit organization under the law of the State of Georgia. The U.S. Internal Revenue Service has determined that the society is a tax-exemption organization under Section 501(c), U.S. Internal Revenue Code of 1954. The Society is governed by a Board of Directors consisting of the elected and appointed officers and six elected Directors.

AREA: The Society's geographical area of primary interest consists of twenty-seven contiguous counties located in central Georgia. They are: BALDWIN, BIBB, BLECKLEY, CRAWFORD, CRISP, DODGE, DOOLY, HOUSTON, JOHNSON, JONES, LAMAR, LAURENS, MACON, MONROE, MONTGOMERY, PEACH, PIKE, PULASKI, TAYLOR, TELFAIR, TREUTLEN, TWIGGS, UPSON, WASHINGTON, WHEELER, WILCOX and WILKINSON.

PURPOSE: The purposes for which the corporation is organized are:

To collect, preserve and disseminate knowledge and information with reference to genealogical and related historical, biographical and heraldic data;

To inculate and promote interest in research in these fields;

To stimulate and provide instruction in the use of efficient methods and the adherence to principles of accuracy and thoroughness in research;

To champion ethical standards and to discourage and oppose incompetent and disreputable practices or researchers;

To foster careful documentation and otherwise promote scholarly writing;

To issue publications, and

To promote the collection and the preservation of local records which are of genealogical or historical value.

MEMBERSHIP: Membership in the Society is open to any person interested in promoting the objectives stated above. Annual dues are: $15.00 for individual membership; $20.00 for family membership (husband and wife, or two related persons in same household).

TRAINING: Twice each year the Society conducts classes for beginner genealogists. These classes are free for members in good standing.

WORKSHOP: The Society plans to hold an all day workshop once each year, complete with exhibits, for members and the public. The registration fee will be set to cover the Society's cost and may vary from year to year, depending upon prices charged for food, meeting facilities, speaker fees, etc.

PROJECTS: The Society undertakes special projects for preservation of genealogical and historical information, such as: microfilming old newspapers, abstracting and publishing county court records, federal census records, cemetery records, etc.

PUBLICATIONS: The Society publishes a monthly NEWSLETTER and a QUARTERLY. The QUARTERLY is published four times per year as number 1 thru 4 and is mailed to all members in good standing. The annual volume number represents the years in existence. The society exchanges quarterlies with a number of genealogical societies and mails free copies to selected libraries. QUERIES, from members only, are published in the QUARTERLY free of charge. There is no limit as to the number of queries which a member may submit. BOOK REVIEWS are published when a copy of the book has been received by the Society. After review these books are donated to the Genealogical and Historical Room, Washington Memorial Library, Macon, GA., whose holdings are one of the largest in the southeast. Members are encourage to submit ARTICLES FOR PUBLICATION in the QUARTERLY, and extra long articles may be serialized. The QUARTERLY is not copyrighted and anyone is welcome to make proper use of the contents; however, the use of articles quoted from other published sources is prohibited without permission from the copyright holder. Appropriate credit will be appreciated. The QUARTERLY is not sold by subscription. Current and back issues may be purchased from the Society when available. The Society welcomes the opportunity to publish FAMILY PEDIGREE CHARTS for members. Minimum coverage of four generations is required. Write for blank charts on which to prepare your pedigree.

ADVERTISING: The Society accepts classified and display ads for publishing in the QUARTERLY. Only ads of genealogical/historical interest, including supplies and services, books and periodicals, education programs and opportunities, workshop/seminar announcements, etc., will be accepted. CGGS will consider entering into reciprocal agreements with other genealogical organizations for publishing announcements pertaining to activities thereof. A display ad layout sheet, with cost for various size ads, is enclosed with each issue of the QUARTERLY.

MEETINGS: The Society holds regular monthly meetings with planned programs. In addition to the program, time permitting, a question and answer session is usually conducted for the benefit of members who have a problem with their research, or who has found a better way for accomplishing their work. Visitors and guest are always welcome to attend regular meetings of the Society. Our current membership covers many states and we invite you to join our Society. For a membership application write to the Corresponding Secretary at address shown in the heading above.
